- E 1 ea. 6 1/2" square (cut on 1 diag.)(Use only one!)

Handle: Fusible (See pattern below) OR 1 1/4" X 12" bias strip –Skinny!

Assembly:

1. Following template given, appliqué your favorite way, the four basket handles on the center square.
2. Lay out your baskets around the square, making sure the handle corresponds to the correct basket. Matching centers, stitch basket to appropriate side of handle square.
3. Stitch a D triangle to each end of each of a C background strip, making sure that the Ds will end up flanking the correct basket. Be sure to align the straight edges.
4. Add the C-D strips to the appropriate sides of the block.
5. Complete the block by stitching B background triangles, matching centers, to fill out the corners.
