Star

Step One:

Take all 8 blue 3 1/2" x 3 1/2" squares, and draw a line from corner to corner. This is your sewing line. Place 1 square on 1 white 6 1/2" x 3 1/2" block, and sew. Fold back, trim off extra triangles, press. Repeat for other side, and then for all four white rectangles.

Step Two:

Lay out in a nine patch fashion, sew together. Press as you go.

Step Three:

Add the two 1 1/2" x 12 1/2" blue strips to the sides of star

Add the two 1 1/2" x 14 1/2" blue strips to the top and bottom of star. Press and set aside.

Bars

Sew your strip sets together as shown in the picture below (Two strip sets B-W-R-W-B-W-R.) Press. Sew the strips sets to the left and right of the Star as shown below.

Finishing

Layer backing, batting, and top. Thread or pin baste. I machine quilted in the ditch around the points of the star, and down each bar. Press when finished.

When the quilting is done, trim the batting and backing equal to the top. Pin binding onto back, sew in place. Bring forward, pin, sew in place.
